

PROPERTY MANAGEMENT

MANAGE YOUR SPACE

Remain focused on your business while protecting your property investments, and ensuring a good ROI, with proactive management and maintenance services by First Companies. You're busy, with limited time and resources. Let us ensure you have a well-maintained, high-functioning building that reflects your brand and quality standards.

At First Companies, we bring years of experience managing industrial, manufacturing, retail, medical, office and other types of buildings and properties. Property Management was a natural extension of our real estate and construction services, and today we care for nearly 3 million square feet of space for a growing list of clients.

Other Services Include:

- Office cleaning and janitorial services
- Carpet cleaning and replacement
- Painting and touch-up
- Window cleaning and glass repair
- Landscaping and bed maintenance
- Roof maintenance and repair
- Parking lot maintenance and cleaning
- Snow removal
- Plumbing/electrical maintenance and repair
- Walk-off mat service
- Site lighting and light bulb replacement
- Suite improvements
- Signage maintenance and repair
- HVAC maintenance and filter replacement
- Door maintenance and locksmith services
- Water conditioning service
- Annual fire alarm inspection
- Garbage removal and recycling
- Data and connectivity services
